**HWVA Mullenscote Training Day - run by Howard Kirby and his team at his Training Headquarters in Quarley, Hampshire.**

Ideally suited for novice dogs and handlers who have a good understanding of the basics, but could also be useful for more experienced handlers.

This day will be for a maximum of 12 dogs.

There will be a principles of hunting workshop for everyone as a group.

The three groups will then rotate around two retrieving workshops and the third workshop being an opportunity to point two pigeons.

**The cost for the day is £80 for members, or £90 for non-members.**

Should the event be oversubscribed a draw will take place with preference given to members.
